First Annual Bike-A-Thon For Cancer Society Fund-Raiser

NEW YORK, NEW YORK — The Partridge Family moves out of its psychedelic bus on to two-wheelers on October 28 and 29, when the first annual Partridge Family — American Cancer Society Bike-A-Thon takes place in towns and cities throughout the country.

Shirley Jones, David Cassidy, and other featured members of the top - rated Screen Gems family comedy, will participate with children and adults of all ages in riding for dollars to fight cancer. The money will have been pledged in advance by sponsors, recruited by each participant, who agree to donate a stipulated amount for each mile ridden. Like the Partridges, whole families can ride together; they may even choose to sponsor themselves.

The Appomattox County Unit of the American Cancer Society will sponsor a local Bike-A-Thon on Sunday, October 29th, beginning at 1:00 p.m. A prearranged bike route will be published later this month.

All residents from age 10 to 80 may participate . . . or it could be a club project.

Further information will be published when all materials are assembled.

On the October 24 (Tuesday, 7:30 - 8:00 p.m. EST) show on the ABC-TV network, Shirley Jones, who plays the mother of the Partridge Family, will announce its participation in the following week's Bike-A-Thon and invite the audience to join in. Prior to that full network announcement, local stations will air 30 and 60 second spots made by the cast to promote the Bike-A-Thon.

From now until the event, the ABC affiliates will work with local American Cancer Society Units to seek Bike-A-Thon riders and sponsors. Their promotional campaign will be aimed at individuals as well as educational and service groups, bicycle clubs, and other organizations. Those interested will be invited to contact their local ACS offices, Dr. Clyde O'Brien, pres.; and Mrs. Ray Noble, secretary.

Riders can stay on course according to their own endurance — but since the average cyclist can do five miles an hour, even a short stint can realize a significant contribution to the American Cancer Society. The funds raised will go toward the Society's extensive research, education, and service programs.

"Cancer victims are not limited to a single age group," says A. H. Letton, M.D., president of the American Cancer Society. "Of our $25 - million research budget, for example, $2 - million is appropriated for the study of leukemia, which strikes mainly young people. Other forms of the disease generally afflict older persons. We welcome the participation of the entire 'Partridge Family' to inspire other families to activ- inspire other families to actively support our activities."

Partridges On Wheels — "The Partridge Family" takes to two-wheelers to promote the first annual National "Partridge Family" American Cancer Society "Bike-A-Thon" on October 28 and 29. Participants of all ages will be asked to ride for dollars to help support the American Cancer Society's research, education, and service programs. Members of the cast of the ABC-TV series (Friday, 8:30-9:00 p.m.) are, left to right, Suzanne Crough, Dave Madden, Susan Dey, David Cassidy, Danny Bonaduce, Shirley Jones and Brian Forster.

The Executive Council of the Appomattox Intermediate School met on Monday, October 2nd, in the Home Ec Department of the school.

Attending the meeting, pictured above, were (first row from the left, Debbie Morrell, President; Susan Porter, 1st Vice-President; Carolyn Winston, Secretary; and Ann Sears, Federation Historian. On the back row are, from left to right, Mrs. Lucy Green, Advisor; Darlene Forrest, Reporter; Teresa Cyrus, 2nd Vice-President; Mrs. Velma Elliott, Advisor; and Sharon Paulette, Parliamentarian.

FHA Meets In Intermediate School

The FHA officers held their Executive meeting Monday, Oct. 2, 1972, at the Appomattox Intermediate School. The executive officers decided to demonstrate and sell recipe cards, flip-flops, etc., and make a year book. And we talked about the plans for our first meeting. The Executive officers set a date for our Bake Sale which is Oct. 13, 1972 at Revco, and on Main St. between the hours of 3:45 and 6:00.

the November 7 election. If a person is to registered in the election district where he lives, he should immediately appear before the General Registrar of the county or city where he is currently living and change his registration," she said.

"We hope to be able to train the public to change their voting registration when they move at the same time they change their telephone and other utilities and the address on their driver's license and credit cards," Mrs. Mahan continued. "It is extremely important that people realize that they cannot go back to the place they used to live to vote unless they have moved within the thirty days immediately prior to the election in which they offer to vote. Voters are very unhappy when they go to the polls and the election official informs them that they cannot vote because they no longer have residency in that precinct," Mrs. Mahan said. "If we can just teach people to change their voting registration at the time they move, everyone otherwise qualified to vote will be able to participate in all elections."

SEVENTH-DAY ADVENTIST
Rufus B. McDannel, Pastor
Sabbath School Lesson 1 - October 1 - 7
Subject: The Christians Hope
Scripture Text: "Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ." Titus 2:13. The moment to which the signs of the times is often spoken of as the end of the world. But for Christians the primary event that the signs is the coming of the Lord Himself in the clouds of heaven. Certainly civilization as we know it will close with Jesus' coming, but our hope is not in the end of the world. Our hope is in Jesus Christ Himself, who is the Savious of all who put their trust in Him.
Sabbath School - 10 a.m.
Worship Service 11:15 a.m.
Pastor McDannel's nephew, David Meyer from West Virginia brought us an inspiring message on Bible truths and also on healthful living. After the service a pot-luck lunch was served.

WHAT I LIKE ABOUT BEING IN 4-H

4-H offers many projects and activities that I can learn from and enjoy. It gives me another chance to know people outside of my family. The sewing and clothing are the projects I have enjoyed the most. If offers me a chance to demonstrate to others what I have learned and many contest offer good prizes beyond the learning. Like Dress Revue! This is a good place to learn how to be a "good looser" and is important how to rejoice with the winners. And it helps one to have nice manners when winning.

4-H to me must include the camps because I really do enjoy them! The vesper service in the evening is a quiet time we like to remember, yet, we enjoy the recreation to.

I also like being a officer. I have been a vice-president of a school club. Our agents and older 4-H members teach us how to be good officers. I am looking forward to Honor Club and County Council because I am trying to be a good 4-H member. Leslie King, Age 11

Missionary Conference To Begin At Bible Baptist Oct. 11

Missionary Walter Groover and Family— Mexico

Missionary Don Bennett and Family — Brazil

Beginning Wednesday evening, Oct. 11 - 15, the Bible Baptist Church will sponsor a Missionary Conference. Two Missionaries will be coming in from the field to be in all of the services with their displays telling about the Mission field, Telling of the trials and hardships, the blessings and the sorrows, the conflicts and the many blessings of the field in which they represent.

Missionary Walter Groover will be coming in from the field of Mexico, Mr. Groover has been down in the Yucatan Peninsula of Mexico for the past seven years. During these seven years, Mr. Groover has started and established six local independent Baptist churches which have now called native pastors. Mr. Groover now visits these churches once every week or two only in an advisery capacity. They have their own pastor, treasurer and secretaries. His work is completed there, other than advising these men. Also, he has started a Bible College where he can train his native pastors. They come in once a week for three hour sessions where he lectures to them from the scriptures and trains them in the word of God.

Mr. Don Bennett is a missionary to the land of Brazil. He has been on the field a good number of years and has started and established a number of churches and the Lord has used this brother in a marvelous way to accomplish much to the Glory of God.

The pastor, Rev. Earnie W. Lucas, as well as the members of the Bible Baptist Church, extend to the public a cordial invitation to attend these meetings.
